

19th Annual SERGS Conference

May 27th-29th, 2027 | Paris, France

Sponsorship Brochure

WELCOME LETTER

Dear Friends, Colleagues, and Valued Partners,

It is my great pleasure to welcome you to the **SERGS (Society of European Robotic Gynecologic Surgeons) International Conference**, taking place from **May 27 to 29, 2027**, in the vibrant and enchanting city of **Paris**.

We meet at a **pivotal moment**, as an increasing number of **new robotic platforms** are emerging to **enhance the quality of care we provide to our patients**. This year's conference will bring together **surgeons from around the globe**, along with **renowned experts** in the fields of innovation, surgery, education, and efficiency. Together, we will explore the latest advancements through **interactive sessions, live surgeries, and hands-on training opportunities on simulators**, including the chance to earn your **first robotic surgery certification**.

Beyond the scientific program, SERGS—our rapidly growing society—remains a place of warmth and camaraderie, where **social events will be as unforgettable as the discussions**.

Whether you are a **seasoned robotic surgery practitioner or new to the field**, we are delighted to welcome you to this inspiring gathering. Paris, with its rich history, dynamic energy, and timeless charm, provides the perfect backdrop for this exchange of ideas.

We warmly invite you to be part of this exceptional event. Your presence and contributions are invaluable to our shared mission of advancing surgical excellence.

Warm regards,

Thomas Hebert

President-Elect, SERGS International Conference 2027

Ready to Become a SERGS 2027 Sponsor?

Thank you for considering a partnership with SERGS. We look forward to working with organizations that share our commitment to advancing robotic gynecological surgery through education, innovation, and collaboration.

All sponsorship opportunities, exhibition packages, branding options, and additional promotional items presented in this brochure can be conveniently selected and ordered through our online Sponsor Portal.

[Enter the Sponsor portal here](#)

Should you require a tailored sponsorship package or have any questions, please do not hesitate to contact the SERGS Secretariat. We will be pleased to discuss how we can create a partnership that best supports your objectives.

We look forward to welcoming you as a valued partner of **SERGS 2027**.
